

Communication No: 021

Repealing SISA Communication No: 007

Due to feedback from our members regarding the blanket prohibition to participate in ISI competitions, we have communicated with ISU officials to see how we can accommodate the desire of our members.

SISA has now decided that between the plethora of ISU rules, communications and circular letters, there is perhaps room for an interpretation whereby skaters below novice can take part in ISI competitions.

We therefore repeal SISA Communication No 7 with retrospective effect.

We will keep this matter under review and come up with further communications at a later time.
