Warm-Up Execution before Practice Ice Time

Dear Figure Skating Community,

Due to a recent incident at The Rink concerning a member of the public and a SISA skater, we would like to bring to your attention that **with immediate effect**, skaters who signs up for practice ice sessions* which are immediately after the public session should not execute their warm-ups (stretching, skipping of ropes, etc) at the common area in The Rink and should run your warm-ups at the following areas:

- Changing Room A and B
- Changing Room D - if the coaches have cleared the room
- Party Room
- JCube Level 5 Roof Garden
- Sheltered Community Area beside JCube

*The usual practice ice sessions affected are but not limited to:

- Tuesdays, 7.30pm session
- Wednesday, 5.15pm session - if SISA runs this session, otherwise;
- Wednesday, 7.30pm session

We appreciate your cooperation.

Thank you.

Yours sincerely,
